The Seven... Regiment of Serbia is reported to have been virtually exterminated by the explosion of Turkish land mines, after crossing the frontier into the district of Novibazar, according to a news agency dispatch received in London today from Belgrade.

The advance outposts of the Bulgarian army have spread to the immediate vicinity of the important strategic point of Kirk Kileseh, which is the headquarters of the Turkish third army corps. They are also in touch with the line of outer forts surrounding the fortress of Ardianople, where another Turkish army is stationed.

Up to the present time, not a single Bulgarian soldier has been made prisoner by the Turks. The Ottoman prisoners taken by the Bulgarians are well treated.

A Serbian column, commanded by General Jankovitch, captured the Turkish entrenchments of the village of Podujevo, on the road to Prishtina, during the night.

An Athens (Greece) dispatch says that after a preliminary artillery duel between the Greeks and six thousand Turks at Elasona, the Greek infantry charged repeatedly and finally dislodged the Turks, capturing their seven siege guns.

Edward Hanna, professor of theology at St. Bernard's Seminary in Rochester, New York, has been appointed by Pope Pius, auxiliary bishop of San Francisco, California, according to a cablegram received today by Monsignor Bonane, the Apostolic Delegate.

While the United States intends to adhere to its policy of non-interference in the internal affairs of Mexico, the state department has made it plain to the Madero government that measures to protect United States citizens in the troubled zone must not be relaxed.

Federal investigation of charges that Jack Johnson, the negro pugilist, had violated the Mann law moved swiftly today. Twenty-five subpoenas were served on the big black pugilist's associates ordering them to appear before the United States grand jury tomorrow.

George W. Perkins of the International Harvester Trust, today testified before the United States senate committee investigating campaign contributions and expenditures. He said: "My total contributions, which were personal contributions, were \$122,539 paid as follows:

"To the New York State committee, \$15,000; to E. H. Booker, for the national fund, \$22,500; to the Washington bureau, \$32,500; for polls, etc., in New York and in Brooklyn, \$16,000; sent to other States, \$19,500; to E. W. Sims, \$17,000."

**SAYS BUDGET COULD SAVE  
\$300,000,000 A YEAR**

WASHINGTON, Sept. 28.—Frederick A. Cleveland, chairman of President Taft's economy and efficiency commission, in a statement today outlining the plan that will be followed in submitting to congress a budget of public estimate and expenditures, declared that "by ten years of continuous, persistent effort" the government could reduce its running expenses nearly \$300,000,000 a year.

"After nearly two years of study of the problem, it is my belief that former Senator Aldrich's statement that \$300,000,000 per annum could be saved if the Government was run on a businesslike basis is not so far from the mark as has been supposed," said Dr. Cleveland.

"The results of a budget plan," Dr. Cleveland added, "would be twofold: First, it would put an end to doing public business in the dark; second, by forcing the administration to assume responsibility for its proposals, for changes, both would be placed on a basis of co-operation for the consideration of public needs and of the means of meeting them."

**NEEDS 10,000,000  
TO MAKE BIG  
FAIR PAY**

SAN FRANCISCO, Oct. 12.—By next August all of the fourteen main palaces of the Panama-Pacific Exposition will be under construction and will be completed in June, 1914.

This was one of the important announcements made by president Charles C. Moore of the Exposition last night at a banquet at the St. Francis Hotel, at which Moore and other Exposition executives were the guests of the German-American Auxiliary, an organization of Germans of San Francisco working for the success of the World's Fair and seeking to persuade Germany to participate on a large scale.

Among the auxiliary's guests at last night's banquet besides President Moore, were Vice President R. B. Hale, Director General F. J. Skiff and Director Curt H. Lindley.

Edward F. Delger, president of the German-American Auxiliary, acted as toastmaster. He read a cablegram from F. W. Dohrmann, who sent greetings from Berlin and advised his friends in San Francisco that he had received encouraging assurances of Germany's participation in the World's Fair. All of the guests took part of the importance of German participation to the success of the Exposition and asked the Germans of San Francisco to interest their friends in America and abroad in the coming fair.

President Moore declared that it would require \$10,000,000 of gate receipts to make the World's Fair a success. Twenty-four nations, eight of them officially, have already signified their intention of participating in the Exposition.

**SAYS JAPANESE HERE  
SHOULD NOT GO BACK**

That Japanese settlers in America make a great mistake in adhering to the idea that some time before they die they must return to their fatherland is the opinion expressed yesterday by Y. Takegoshi, leader in the Japanese House of Commons, who has been studying the Japanese colonies along the Pacific Coast of America for the last two months. He says he repeatedly tells his countrymen in America that they should consider this their home. He feels however, that the American naturalization law is unfair, not permitting the Japanese immigrants to attain citizenship. He intends publishing in the near future a book entitled "The Yellow Men's Appeal to the White Women," in it appealing to the white feminine political workers to join in a movement for the emancipation of the Oriental residents of America.

**AFTER LONG

These Two Women's Health  
Restored by Lydia E. Pinkham's Vegetable Compound—Read Their Own Statements.

Cheneyville, La.—"Some time ago when in poor health, suffering from feminine ills, I began to take Lydia E. Pinkham's Vegetable Compound and Liver Pills. I soon felt better and gained in strength and flesh. A gradual improvement continued as I took the Compound, and from 120 pounds I now weigh 155, and feel that my life has been prolonged."

"I deeply regret that I did not know of your medicine long before I did. Friends often speak of the wonderful change in my health, and I tell them that your medicine did it."—Mrs. J. W. STANLEY, Cheneyville, La.

Distressing Case of Mrs. M. Gary. Chicago, Ill.—"I have used Lydia E. Pinkham's Vegetable Compound for backache and it has certainly made a new woman of me. After my first baby was born I was left a perfect wreck. I was so weak I could hardly do my household duties and suffered with an awful backache. But since I have used your Compound the pains in my back have left me and I am strong again."

"My mother used it also through Change of Life and speaks very highly of it. You can use this letter any way you wish. I think it is only fair for one who has suffered as much as I, to let others know of your great remedy."—Mrs. M. GARY, 2958 N. Ridgeway Ave., Chicago, Ill.

**HOW TO PREVENT  
NERVOUSNESS**

Most Disorders of the Nerves  
Come from One Cause and  
May Be Prevented or  
Cured.

It is never too late to take Dr. Williams' Pink Pills for Pale People for nervous troubles.

You can be certain that a breakdown or exhaustion of your nerves is due to a lack of nourishment caused by thin or impure blood. The starved nerves break down after any unusual strain. This condition is easily remedied with Dr. Williams' Pink Pills for Pale People. They start at once to build up the blood, making it richer and purer with every dose, thereby checking further wear on the nerves and the progress of the disease. The new blood makes the nerves more fit every day to do their work.

Mrs. Elizabeth Shepherd, of No. 1216 Washington street, Kansas City, Mo., says:

"I gladly tell of my experience with Dr. Williams' Pink Pills. I was suffering with partial paralysis of the left side of my face, the trouble beginning with a general breakdown of the nervous system. First I had a severe carpal which came on very suddenly. My left arm seemed to be held in a vise. There was a prickling sensation throughout my head and left side of my face. My eyes were affected and the left side of my face became partially paralyzed. The pains were very severe. I was weak, could not get a good night's rest and lost in flesh. My circulation was poor."

"I was treated by doctors at Oesage, Kan., who pronounced my affliction partial paralysis. They gave me only temporary relief. I also took electric treatments for a time. After a year of suffering, during which time I was occasionally confined to bed for a day or so, I began using Dr. Williams' Pink Pills. I received benefit sooner than I hoped for and gained in strength rapidly. The prickling sensations disappeared and I took the pills until cured. I have great faith in Dr. Williams' Pink Pills."

We will send free upon request our new booklet, "Diseases of the Nervous System," to anyone interested.

Dr. Williams' Pink Pills are sold by all druggists or direct by mail, postpaid, 50 cents per box; six boxes, \$2.50, by Dr. Williams Medicine Co., Schenectady, N. Y.
